## “BACKPACKS FOR HUNGER”

We are looking for people or groups who would be able to help provide food for families in need in WB during the four school breaks. In order for us to be able to assist a larger amount of families in need, we have expanded our Backpacks For Hunger Campaign to include adopting a family for the year. Adopt-A-Family simply means that you would be donating food items to a West Babylon family four times a year (during the three school recesses and summer vacation). Each specific food drive date, location and where and when we will meet to fill bags will be updated on our website but will take place in December, February, April and June. If you or your group would like to assist us with this and help a family for the school year, please let us know because we do need volunteers.

If you would like to assist with this or for more information:
