Dear South Bay Parents and Staff,

The South Bay PTA will be hosting its Annual Giving Tree for the 2017 holiday season. Many of our South Bay families have been affected by the state of today's economy and desperately need a helping hand to provide their children with gifts and holiday meals.

There will be a tree of ornaments set up in the cafeteria during the **PTA Spaghetti Dinner on November 17th**. Please stop by and sign out an ornament to donate a gift to our fellow South Bay families.

All donations will be due by Friday, December 1st.

We would like to thank everyone who helped to make the Giving Tree a great success in the past and we are counting on the generosity of our South Bay families again this year.

If you cannot attend the Spaghetti Dinner but would like to help, you may take a tag from the Giving Tree, which will be in the SB main office, during the week of November 20th or, email me at DawnMadalone@gmail.com, and I will let you know what is still needed. Thank you!

Sincerely,
Dawn Madalone
SB PTA Giving Tree Chairperson
