

Dear Sir or Madam,

This year West Babylon's Wellness Committee is hosting our 5th Annual Health & Wellness Expo at the 14th Annual Fun Run! The Fun Run/Expo will be on Monday May 14, 2018 from 6-8pm at the West Babylon Jr. High. The Expo will be held out doors on the football field.

The objective of the fair is to provide, promote and support healthy lifestyle or our West Babylon families. The event will enhance resident awareness and encourage an environment of healthy lifestyles within our community. We are focusing on a Body, Mind and Soul concept within the district. With your cooperation we will be able to provide free gifts and samples.

In order to confirm your participation and to identify your space needs I ask you to complete the enclosed form and return it to me by May 1, 2018. I will attempt to accommodate all of your needs to make the evening a success.

Remember the Expo is also an information sharing event so handouts regarding your programs or services will be useful. We are very excited about our 2018 Health & Wellness Expo!

I look forward to working with you.

Cathy Chauvin
