September 6, 2018

Dear Parent/Guardian:

I hope this letter finds you enjoying the beginning of the new school year. While you have received correspondence from your child's classroom teacher and from me, some of you have not had the opportunity to meet us. Therefore, I invite you to attend John F. Kennedy's Open School Night, Thursday, September 20, 2018, 5:40 – 7:40 p.m., to meet our classroom teachers and instructional specialists.

Our evening has been designed for parents to have the opportunity to learn about curriculum, classroom procedures and teacher expectations. It is not a time for conferences about individual students. That opportunity will come on December 7, 2018, when you will be able to conference with your child's teacher. You will be asked to sign up for a specific personal conference time with your child's teacher while you are at Open School Night. Please understand that Open School Night is not an evening intended for children.

Throughout the night, the JFK PTA will be in the lobby encouraging membership in our PTA. Please make every effort to join our PTA and become an active participant.

I hope you will be able to join us on this evening. PLEASE FOLLOW THE SCHEDULE ATTACHED TO THIS EMAIL TO MEET WITH THE APPROPRIATE STAFF MEMBER.

Please do not hesitate to call me at (631) 376-7801 if you have any questions.

Sincerely,
Gregg Cunningham
Principal
