

Red Ribbon Week

October 22-26, 2018

Red Ribbon Week is a national campaign held each year to raise awareness about drug prevention in our community. In an effort to include our children in the fight against drugs, the JFK PTA will be coordinating a week of fun activities to help celebrate this worthy cause.

On Monday, October 22, 2018, at 10:00 AM, a ceremony will be held on the blacktop between JFK and South Bay Schools. The students will take a pledge to remain healthy and drug-free. We invite all parents, family members and friends to attend the ceremony and join in the fight against drugs. Please have your child wear **RED** to school on this day to support this worthy cause. We ask that your child complete the pledge on the next page and return it to school on Friday, October, 19, 2018, in preparation for the week ahead.

Throughout the week, the school will be decorated. There will be different daily themes and the students will receive daily reminders about the importance of living a healthy life. Please help make the week a success by having your child follow the “dress-code” for each day:
