- Peter McArdle
- Christine Manzi
- Eric V. Shumann

To the Residents of the West Babylon Fire District,

Every year, our Fire Department usually conducts an annual "Santa Run" in which our Department drives around town with Santa Claus and hands out Candy Canes to the public. Due to the circumstances surrounding COVID-19, we have been forced to change how we conduct all our events this year, including this one.

This year, we will be hosting a drive-through Santa visit. Between the hours of 6:00 pm and 9:00 pm on December 18<sup>th</sup>. Members of the public will be permitted to drive through the back parking lot of our firehouse at 126 Arnold Ave. and receive Candy Canes from Santa. **Along with this event, we encourage members of the public to bring down non-perishable food items for a food drive that we will be hosting at the same time.**

We understand that this is different from our traditional routine. Nevertheless, we feel this is the best way to celebrate the spirit of the holiday and keep all our community members safe at the same time.

Thank you for your understanding, and we hope to see you at our event! As always, we thank you for your support and understanding during these challenging times.

Merry Christmas and Happy Holidays,

Robert Sullo,  
Chief of the Department
